PROFESSIONAL SUMMARY

Frontend-focused Full Stack Developer with internship experience building responsive UIs in React.js and Tailwind CSS, and integrating REST APIs with Node.js/Express.js. Built and shipped a live AI-powered code review platform. Strong problem-solver with a track record of converting designs into reusable components.

PROGRAMMING SKILLS

Languages: C, C++, JavaScript

Frontend: HTML5, CSS3, Tailwind CSS, React.js

Backend: Node.js, Express.js, REST API

Databases: MySQL

Tools & Platforms: Git, GitHub

Soft Skills: Time Management, Teamwork

WORK EXPERIENCE

Frontend Developer Intern — Way To Web Pvt. Ltd.

Feb 2025 – Aug 2025

- Developed responsive user interfaces using HTML5, CSS3, Tailwind CSS, and React.js
- Converted UI designs into reusable React components, improving development speed for new pages
- Implemented client-side form validation and REST API integration
- Optimized layouts for mobile and cross-browser compatibility
- Collaborated with the backend team to integrate APIs end-to-end

PROJECTS

AI Code Reviewer Platform — Live

React.js, Node.js, Express.js, Gemini AI API, Monaco Editor, Tailwind CSS, Axios

- Built a full-stack AI-powered code review application using React.js, Node.js, Express.js, and the Google Gemini AI API
- Implemented AI-powered code review, code explanation, contextual AI chat, code quality scoring, and multi-language support
- Developed review history with search, filter, CSV/JSON import-export, and PDF report generation, plus an analytics dashboard
- Designed a responsive UI with Monaco Editor, syntax highlighting, Markdown rendering, and dark/light mode support

React E-Commerce Web App

React.js, JavaScript (ES6+), Tailwind CSS, LocalStorage, REST API

- Developed a responsive e-commerce web application using React.js, Vite, and Tailwind CSS
- Implemented product listing, shopping cart, and user authentication
- Integrated REST API for dynamic product data

Online Art Gallery

ASP.NET, MySQL

- Created a web platform to display and manage digital artworks

EDUCATION

Master of Computer Applications — GLS University, Ahmedabad, Gujarat

CGPA: 7.0 | Aug 2023 – July 2025

Bachelor of Computer Applications — Shree C.Z.M.G BCA College, Jamnagar, Gujarat

CGPA: 6.2 | Aug 2020 – Apr 2023

ACHIEVEMENTS & CERTIFICATES

- Completed certification programs in .NET and Android development
- Completed a web development internship at Prodigy Infotech, gaining practical experience in real-world projects
